

# Appendix B Existing Lincoln Park Vegetation

## **INVASIVE SPECIES**

Any non-native plants that aggressively spread, when left unchecked, were considered to be invasive. Noxious weeds are plants that are classified as noxious weeds by the King County Noxious Weed Control Program.

Scientific name	Туре	Common name	Status
Cardamine species	HERB	Bittercress	Invasive
Prunus serotina	TREE	Black cherry	Invasive
Rubus discolor	SHRUB	Blackberry, himalayan	Invasive
Hypochaeris radicata	HERB	Cat's ear	Invasive
Stellaria media	HERB	Chickweed	Invasive
Sonchus oleraceus	HERB	Common sow-thistle	Invasive
Contoeaster species	SHRUB	Cotoneaster	Invasive
Taraxcum officinale	HERB	Dandelion	Invasive
Rumex obtusifolius	HERB	Dock	Invasive
Bellis perennis	HERB	English daisy	Invasive
llex aquifolium	TREE	English holly	Invasive
Hedera helix	SHRUB	English Ivy	Invasive
Rubus laciniatus	SHRUB	Evergreen blackberry	Invasive
Digatalis purpurea	Herb	Foxglove	Invasive
Veronica chamaedrys	HERB	Germander speedwell	Invasive
Heradeum mantegazzianum	HERB	Giant hogweed	Noxious
Vicia gigantea	HERB	Giant vetch	Invasive
Laburnum anagyroides	TREE	Goldenchain tree	Invasive
Ulex europaeus	SHRUB	Gorse	Noxious
Cardamine hirsuta	HERB	Hairy bitter-cress	Invasive
Crataegus monogyna	TREE	Hawthorn, common	Invasive
Geranium robertianum	SHRUB	Herb robert	Invasive
Aesculus hippocastanum	TREE	Horsechestnut, common	Invasive
Prunus laurocerasus	TREE	Laurel, English	Invasive
Sorbus aucuparia	TREE	Mountain ash	Invasive
Lapsana communis	HERB	Nipplewort	Invasive
Dactylis glomerata	HERB	Orchard grass	Invasive
Plantago major	HERB	Plantain, common	Invasive
Prunus lustianica	Tree	Portugese laurel	Invasive
Cytisus scoparius	SHRUB	Scotch Broom	Noxious
Daphne laureola	SHRUB	Spurge laurel	Invasive
Clematis vitalba	SHRUB	Traveler's joy	Invasive
Lactuca muralis	HERB	Wall letuce	Invasive
Prunus avium	TREE	Wild cherry	Invasive

### DRAFT

## Appendices Chapter Ten

Geum macrophyllum	HERB	Bigleaf avens	Open areas, open forests
Holodiscus discolor	SHRUB	Ocean spray	Dry forest openings
Lactuca tatarica ssp. pulchella	HERB	Blue lettuce	Moist meadows and thickets
Lathyrus vestitus	HERB	Pacific pea	Wooded areas, stream banks
Lemna trisulca	HERB	Star duckweek	Quiet streams, standing water
Lonicera ciliosa	SHRUB	Orange honeysuckle	Wooded areas.
Lonicera involucrata	SHRUB	Twinberry, black	Wet areas
Luzula parviflora	HERB	Small-flowered woodrush	Moist areas, stream banks
Nemophila parviflora	HERB	Wood Nymph	Shaded forests
Oemlaria cerasiformus	TREE	Indian Plum	Forest openings and shade
Osmorhiza chilensis	HERB	Mountain sweet-cicely	Open forest.
Philadelphus lewisii	SHRUB	Mock orange, wild	Open dry forests
Pinus monticola	TREE	Western white pine	Moist to dry open slopes
Plagiomnium insigne	MOSS	Coastal Leafy Moss	Moist forest, shade, open areas
Plantago macrocarpa	HERB	Alaska plantain	Tidal marshes.
Polypodium glycrrhiza	FERN	Licorice fern	Wet ground, logs, tree trunks
Polystichum munitum	FERN	Sword fern	Moist forest
Polytrichum commune	HERB	Common haircap moss	Moist forest
Populus tricocarpa	TREE	Black cottonwood	Moist to wet open woods,
<b>5</b> "			stream banks
Prunella vulgaris ssp. lanceolata	HERB	American heal all	Moist clearings, fields
Prunus emarginata	TREE	Cherry, bitter	Moist forest, openings, stream banks
Pseudotsuga menziesii	TREE	Douglass fir	Dry forest, sun
Pteridium aquilinum	FERN	Bracken fern	Meadows, dry/wet forests, lake shores
Ranunculus uncinatus	HERB	Little buttercup	Moist forests, meadows, stream banks
Rhamnus purshiana	TREE	Cascara	Dry forest, shade
Ribes bracteosum	SHRUB	Blue currant	Moist to wet areas
Ribes sanguineum	SHRUB	Redflower currant	Dry open sites, disturbance areas
Rosa gynmocarpa	SHRUB	Wild rose	Forest openings
Rubus leucodermis	SHRUB	W. blackcap raspberry	Disturbed sites, open forest
Rubus parvifolius	SHRUB	Thimbleberry	Moist forest openings
Rubus spectabilis	SHRUB	Salmonberry	Wet areas, forest openings
Rubus ursinus	SHRUB	Trailing blackberry	Disturbed sites, dry open forests
Salix scouleriana	TREE	Scouler's willow	Open forests, stream banks, edges
Sambucus racemosa	SHRUB	Red elderberry	Dry forest shade or openings
Scirpus microcarpus	HERB	Smallfruited bulrush	Swamps, stream banks, wet ditches
Symphoricarpos albus	SHRUB	Snowberry	Dry forest openings
Taxus brevifolia	TREE	Yew, western	Moist forest, shade
Taxus brevifolis	SHRUB	Yew, western	Moist forest, shade
Tellima grandiflora	HERB	Fringecup	Moist forests, stream banks
Thuja plicata	TREE	Western red cedar	Moist to wet forest, shade
Tolmiea menziesii	HERB	Piggy-back plant	Moist forests, stream banks
Trientalis borealis	HERB	Starflower	Swamps, boggy forest, wet

### DRAFT

			thickets
Trillium ovatum	HERB	Western trillium	Moist woods, stream banks, shade
Tsuga heterophylla	TREE	Western hemlock	Dry to moist forest, shade
Typha latifolia	SHRUB	Cattail, common	Wet lands, slow-flowing or quiet water
Urtica dioica	HERB	Stinging nettle	Meadows, stream banks, open forest
Vaccinium ovatum	SHRUB	Evergreen huckleberry	Forest shade
Vaccinium parvifolium	SHRUB	Red huckleberry	Moist forest, on stumps and nurse logs
Veronica americana	HERB	Brooklime	Muddy shores, shallow water, wet ditches
Veronica serpyllifolia var. humifusa	HERB	Spreading speedwell	Moist meadows, stream banks, clearings
Vicia nigricans ssp. gigantea	HERB	Giant vetch	Disturbed sites, openings, edges
Viola sempervirens	HERB	Violet, trailing yellow	Moist forests

NON-NATIVE PLANTS

DRAFT

Scientific name	Туре	Common name	Status
Cedrus atlantica	TREE	Atlas cedar	Non-native
Pinus nigra	TREE	Austrian black pine	Non-native
Prunus shirofugen 'Autumn nalis'	TREE	Autumn nalis cherry	Non-native
Populus balsamifera	TREE	Balm-of-gilead	Non-native
Robinia pseudoacacia	TREE	Black locust	Non-native
Ligustrum ovalifolium	SHRUB	California privet	Non-native
Prunus avium	TREE	Cherry, wild	Non-native
Cerastium fontanum	HERB	Chickweed	Non-native
Sequoia sempervirens	TREE	Coast redwood	Non-native
Agrostis capillaris	HERB	Colonial bentgrass	Non-native
Cotoneaster sp.	SHRUB	Cotoneaster, unknown	Non-native
Geranium dissectum	SHRUB	Cutleaf geranium	Non-native
Viburnum davidii	SHRUB	Davidii viburnum	Non-native
Cedrus deodara	TREE	Deodar cedar	Non-native
Trifolium repens	HERB	Dutch clover	Non-native
Lolium perenne	HERB	English (Perennial) ryegrass	Non-native
Bellis perennis	HERB	English daisy	Non-native
Escallonia spp.	SHRUB	Escallonia	Non-native
Fagus sylvatica	TREE	European beech	Non-native
Viburnum opulus	SHRUB	European cranberry bush	Non-native
Betula pendula	TREE	European white birch	Non-native
Pyrocantha coccinea	SHRUB	Firethorn	Non-native
Digitalis purpurea	HERB	Foxglove	Non-native
Carpinus spp.	TREE	Hornbeam	Non-native
Calocedrus decurrens	TREE	Incense cedar	Non-native
Cryptomeria japonica	TREE	Japanese Cryptomeria	Non-native
Viburnum tinus	SHRUB	Laurustinus	Non-native
Chamaecyparis lawsoniana	TREE	Lawson cypress	Non-native
Pinus mugo	TREE	Mugo pine	Non-native
Quercus species	TREE	Oak	Non-native
Dactylis glomerata Vinca minor	HERB SHRUB	Orchard grass Periwinkle, lesser	Non-native
Callitriche stagnalis	HERB	Pond Water-Starwort	Non-native
Prunus lusitanica	SHRUB		Non-native
Ligustrum vulgare		Portugal laurel Privet, common	Non-native
Trifolium pratense	HERB	Red clover	Non-native
Quercus rubra	TREE	Red oak	Non-native
Oxalis oregona	HERB	Redwood sorrel	Non-native
Rhododendron spp.	SHRUB	Rhododendron	Non-native
Cotoneaster simonsii	SHRUB	Simons' contoneaster	Non-native
Juncus effusus	HERB	Soft rush	Non-native
Castanea sativa	TREE	Spanish chestnut	Non-native
Liquidambar styraciflua	TREE	Sweetgum, american	Non-native
Chamaecyparis pisifera	TREE	Thread cyprus	Non-native
Erica arborea	SHRUB	Tree heath	Non-native
Holcus lanatus	HERB	Velvet grass	Non-native
